Hi Steve,

Please see attached for the PO for the order of Boulders to SF Public Works.

We are a go for Thursday of next week at 8:30am. Intersection of Kansas St at Cesar Chavez St in San Francisco.

We will be providing an operator and a back hoe to off load the materials and providing traffic control as well.

If you have any questions at all please don't hesitate to contact us.

Thank you,

Mike Godsy

Mike,

Attached you will find Special Order #200354 for the Sonoma Fieldstone Boulders. You had listed the size as 2x2x3, Mike the trucker said the last load was 2x3x3 and he wanted me to find out if you wanted the same size as the previous load or the smaller size listed in your e-mail. As noted on the Special Order Mike won't know until tomorrow if he can deliver on Monday the 11th, if he can't he can do it Tuesday morning the 12th. Let me know if Tuesday could work?

Thanks Mike,

Good Morning,

Would anyone know anything about boulders placed under the 101 overpass? If there's a service order, that would make research easier. Thanks.

Hi everyone,

How much did we spend on the boulders at the hairball (under the 101-overpass at Cesar Chavez and Potrero)? I need this number this morning if possible.

Carla,

Sorry, I just confirmed the hours and workers with Mike Godsy. There were 2 deliveries that took about 4 hours of work for each delivery. Basically, it's 8 hours charged per position:

1 Laborer  
1 Operator Engineer (drives the machine that carries the boulders)  
1 Supervisor

I think we're both on point.

For BUF we had one gardener and one laborer 8 hours each. (2 days at 4 hours each).

Matt's team had most of the labor. Looping in Keanway to help with that.

Good Morning,

Would anyone know anything about boulders placed under the 101 overpass? If there's a service order, that would make research easier. Thanks.

Hi everyone,

How much did we spend on the boulders at the hairball (under the 101-overpass at Cesar Chavez and Potrero)? I need this number this morning if possible.

Thanks,

Carla,

Sorry, I just confirmed the hours and workers with Mike Godsy. There were 2 deliveries that took

about 4 hours of work for each delivery. Basically, it's 8 hours charged per position:

1 Laborer  
1 Operator Engineer (drives the machine that carries the boulders)  
1 Supervisor

I think we're both on point.

Two service orders, grand total was about \$8000. Mary Ann, can you pull the two POs for Arnold?

Good Morning,

Would anyone know anything about boulders placed under the 101 overpass? If there's a service order, that would make research easier. Thanks.

Thank You,

Hi everyone,

How much did we spend on the boulders at the hairball (under the 101-overpass at Cesar Chavez and Potrero)? I need this number this morning if possible.

Thanks,  
Bruce

For BUF we had one gardener and one laborer 8 hours each. (2 days at 4 hours each).

Matt's team had most of the labor. Looping in Keanway to help with that.

Carla,

Thanks. I've got the PO's. Now, I need to confirm the labor costs.
